As we know, that our country is facing challenges due to lack of money but we are aware that from all those brilliant students, one day we can have legends like APJ Abdul Kalam, Narendra Modi, Steve jobs and so on.

Following these things, the **Skillhub Infotech** have the policy to educate 3 students from each college, who are not economically sound.

About Workshop:

Skillhub Infotech are offering two days training sessions in our institution only. They will send their trainer (industry expert) for two days and he/she will take sessions on the selected topic by our end.

- When it comes to the charges, yes it is very nominal i.e **Rs 850/- per head.**

Topics:

- Digital Marketing + Entrepreneurship. **8th & 9th March 2018**
- Cyber Security/Ethical Hacking. **13th & 14th March 2018**

Benefits:
