

Student Council – School of Engineering

Student council is the voice of our students and it liaisons between Authorities of the institution and students. The council is represented by a group of elected student volunteers along with a faculty adviser (student council in-charges) within the framework of our institute. The Council has its own office bearers to help proper functioning of the council.

The main objectives of the council are:

- a. Plan various activities beneficial to the student community.
- b. Interact with the students and understand their problems.
- c. Conduct meeting with the Authorities of the institute and put forward the grievances of the students.
- d. Work in unison with the institutions vision and mission to uphold its prestige and visibility.

Student activities:

1. Fresher's Day - The aim of conducting this day is to make the juniors feel comfortable and interact among new faces, to create friendly relationships with seniors and to enjoy the first day of college life with all positive energies.
2. Independence Day - It is a day where students, faculty members and staff pay tribute to the Nation and the freedom fighters of the country. All the students and staff wear "Kadhi Saree" on this day and take pledge to serve the nation in a befitting manner.
3. Republic Day: A day to rejoice the functioning of Constitution of India Republic.
4. Teachers day - This day is celebrated to honour the efforts the teachers are putting to provide the students' knowledge and holistic development.
5. Gandhi Jayanthi - Students conduct prayer meetings to pay homage, along with all the faculty. All the students and staffs wear "Khadhi saree" on this day.
6. Onam – On this day, cultural programmes are planned by the students in Kerala tradition.
7. Christmas and New year - These two celebrations are done on the same day, The students conduct this event to bring harmony and peace.
8. Pongal – A day to celebrate harvesting, students celebrate this in a grand manner with joy and entertainment.
9. Advaita (Technical symposium) –Every year this event is conducted by the students to actively participate in all technical and non-technical events to have entertainment and to win prizes for their talents.
10. Farewell - This event is conducted for the commemoration to celebrate all the good times together and wishing the best for the future.
