Conferences Attended

SI.No.	Name of Faculty	Name of the Conference	Organised by with	Title of Paper Presented/
			dates	Participated/ Chaired
1.	K.V.Archana	SLAAI International	University of	Participated and presented
		Conference on Artificial	Moratuwa, Sri Lanka	paper titled 'Diagnosis of
		Intelligence	20.12.2018	Coronary Artery Diseases and
				Carotid Atherosclerosis using
				Intravascular Ultrasound
				Images'
2.	Dr. R. Sudarmani	International Conference on	Sri	Participated and presented
		Electrical, Communication,	Chandrasekharandra	paper titled 'Heterogeneous
		Electronics,	Saraswathi Viswa	Energy Schemes and Energy
		Instrumentation and	Mahavidhyalaya,	Efficient Cluster Protocol for
		Computing (ICECEIC)-	Kanchipuram, Tamil	Heterogeneous Sensor
		2019	Nadu	Networks'
			30.01.2019-	
			31.01.2019	
'3.	P.G.Padma Gowri	International Conference	CODISSIA Trade	Participated and presented
		on Industrial Water,	fair Complex,	paper titled 'Brackish Water
		Energy and Environment	Coimbatore.	Desalination using Solar
				energy'
			29.01.2019	
4.	G.Mahalakshmi			Participated and presented
	Malini,			paper titled 'A Review of
	Dr. R. Sudarmani			Nano Technology in Food
				Processing and Preservation'
5.	Dr. R. Sudarmani,	Seminar on Role of	School of	Participated and presented
	G.Mahalakshmi	Emerging Technologies in	Engineering,	paper titled 'Applications of
	Malini	Food Processing Towards	Avinashilingam	Wireless Sensor Networks in
		Global Food Security-	Institute for Home	Agriculture and Food
		NETFP'19	Science and Higher	Processing industry'

6.	P.G.Padma Gowri		Education for	Participated and presented
			Women, Coimbatore	paper titled 'Implementation of
				Energy Efficient Automatic
			14.02.2019-	Solar Tracking system for
			15.02.2019	Coffee Roasting'
7.	Dr. B. Sargunam	3 rd International Conference	SVS College of	Participated and presented
		on Electrical, Computer &	Engineering,	paper titled 'IOT Based
		Communication	Coimbatore.	Mobile Medical Application
		Technologies (IEEE	20.02.2019-	for Smart Insulin Regulation'
		ICECCT 2019)	22.02.2019	
8.	Dr. B. Sargunam			Participated and presented
				paper titled 'Real Time
				Tracking System using
				Bluetooth'
9.	Dr. R. Sudarmani,			Participated and presented
	R. Chitra,			paper titled 'Energy Efficient
	G. Mahalakshmi			Data Aggregation in
	Malini			Automatic Irrigation System:
				Heterogeneous
				Sensor Networks With Mobile
				Sink '
10.	R. Chitra,	International Conference on	ECE Department,	Participated and presented
	Dr. R. Sudarmani,	Emerging Trends in	School of	paper titled 'A Comprehensive
	G. Mahalakshmi	Wireless Communications,	Engineering,	Survey: Survivability
	Malini	Signal Processing and	Avinashilingam	Techniques in WDM Optical
		Networking, ICETWSN'19	Institute for Home	Networks'
11.	Dr. D.Veera		Science and Higher	Participated and presented
	Vanitha		Education for	paper titled 'Impact of Server
			Women, Coimbatore	Failure In OBS Networks'
12.	P.Vigneswari			Participated and presented
			07.03.2019-	paper titled 'A New Approach
			08.03.2019	for Improving Coding
				Performance in High Speed
				Optical Networks'
13.	K.V.Archana			Participated and presented
				paper titled 'A Multi-Level Set

Using Radio Frequency Identification* Participated and presented paper titled 'Security System And Smart Automation Using IoT ' 17.					Based Plaque Segmentation
14. G. Mahalakshmi Malini, Dr. R. Sudarmani, R. Chitra 15. P.G.Padma Gowri 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha Vanitha Varicipated and presented paper titled '16T Based User Friendly Smart Trolley System Using Radio Frequency Identification' Participated and presented paper titled '16T Based User Friendly Smart Trolley System Using Radio Frequency Identification' Participated and presented paper titled 'Security System Using Radio Frequency Identification' Participated and presented paper titled 'Security System And Smart Automation Using IoT Technology, Arasur, Villupuram 23.03.2019 18. Dr. D. Veera Vanitha International Conference on Vanitha Innovative & Advanced Multidisciplinary Research Multidisciplinary Research Institute of Technology, Andaman, India. 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 - 19. Dr. R. Sudarmani Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown Warning System for					Frame Work for
Malini, Dr. R. Sudarmani, R. Chitra 15. P.G.Padma Gowri 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha Vanitha Vanitha Vanitha Vanitha Dr. D. Veera Vanitha Vanitha Vanitha Vanitha Dr. D. Veera Vanitha Van					Atherosclerosis Detection'
Dr. R. Sudarmani, R. Chitra Distributed Edge Detection Algorithm using VHDL* Participated and presented paper titled 'IoT Based User Friendly Smart Trolley System Using Radio Frequency Identification' Participated and presented paper titled 'Security System And Smart Automation Using IoT * 17. Dr. D. Veera Vanitha Veracity Research in Scientific Computations and Engineering Trends Vanitha Dr. D. Veera	14.	G. Mahalakshmi			Participated and presented
15. P.G.Padma Gowri 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha 18. Dr. D. Veera Vanitha Dr. B. R. Ambedkar Dr. B. R. Ambedkar Technology, Andaman, India. 08.06.2019 Deeper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown Deeper titled 'Early Vanitha Dr. D. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 Presented a paper titled 'Early Warning System for		Malini,			paper titled 'A Novel Canny
15. P.G.Padma Gowri 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha 18. Dr. D. Veera Vanitha Dr. D. Veera Vanitha Dr. D. Veera Vanitha Dr. D. Veera Vanitha Vanitha Dr. D. Veera Vanitha Dr. D. Veera Vanitha Vanitha Vanitha Dr. D. Veera Vanitha Vanitha Dr. B. R. Ambedkar Technology, Andaman, India. 08.06.2019 Queen Vanitha Dr. B. R. Ambedkar Technology, Andaman, India. 08.06.2019 Queen Vanitha Veracity Research Technology, Andaman, India. 08.06.2019 Queen Vanitha Veracity Research Technology, Andaman, India. 08.06.2019 Queen Vanitha Veracity Research Technology, Andaman, India. 08.06.2019 Queen Veracity System Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown Veracity System Veracity System Veracity System Technology, Andaman, India. 08.06.2019 Queen Veracity Research Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown Veracity System Veracity System Veracity System Presented a paper titled 'Early Warning System for		Dr. R. Sudarmani,			Distributed Edge Detection
paper titled 'IoT Based User Friendly Smart Trolley System Using Radio Frequency Identification' 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha 18. Dr. D. Veera Vanitha Dr. D. Veera Vanitha Dr. D. Veera Multidisciplinary Research Multidisciplinary Research Dr. D. Veera Vanitha Dr. B. R. Ambedkar Institute of Technology, Andaman, India. 08.06.2019 Dr. R. Sudarmani Dr. R. Sudarmani Dr. R. Sudarmani OR. Of College Tokyo, Japan. OR. Of College Varning System for Varning System for		R. Chitra			Algorithm using VHDL'
paper titled 'IoT Based User Friendly Smart Trolley System Using Radio Frequency Identification' 16. K.R.Priyanga, P. Manju Parkavi 17. Dr. D. Veera Vanitha 18. Dr. D. Veera Vanitha Dr. D. Veera Vanitha Dr. D. Veera Multidisciplinary Research Multidisciplinary Research Dr. D. Veera Vanitha Dr. B. R. Ambedkar Institute of Technology, Andaman, India. 08.06.2019 Dr. R. Sudarmani Dr. R. Sudarmani Dr. R. Sudarmani OR. Of College Tokyo, Japan. OR. Of College Varning System for Varning System for					
Technology, Arasur, Villupuram 23.03.2019 Technology, Andaman, India. Dr. D. Veera Multidisciplinary Research Multidisciplinary Research Op. Op. Op. Oe. 2019 Op. 06.2019	15.	P.G.Padma Gowri			Participated and presented
Using Radio Frequency Identification* Participated and presented paper titled 'Security System And Smart Automation Using IoT ' 17.					paper titled 'IoT Based User
Identification' Participated and presented paper titled 'Security System And Smart Automation Using IoT '					Friendly Smart Trolley System
16. K.R.Priyanga, P. Manju Parkavi Participated and presented paper titled 'Security System And Smart Automation Using IoT ' Participated and presented paper titled 'Microcontroller Based Automatic Source Participated and presented paper titled 'Microcontroller Based Automatic Source Participated and presented paper titled 'Analysis of OBS Participated and presented paper titled 'Analysis of OBS Participated and presented Participated and presented paper titled 'Analysis of OBS Participated and presented paper titled 'Microcontroller Technology, Andaman, India. 08.06.2019 - 09.06.2019 - 09.06.2019 Participated and presented paper titled 'Analysis of OBS Participated and pres					Using Radio Frequency
P. Manju Parkavi P. Manju Parkavi P. Manju Parkavi Proper titled 'Security System And Smart Automation Using IoT ' 17. Dr. D. Veera Vanitha Veracity Research in Scientific Computations and Engineering Trends Arasur, Villupuram 23.03.2019 Based Automatic Source Changeover Between Solar and Main System' 18. Dr. D. Veera Vanitha International Conference on Institute of Multidisciplinary Research Multidisciplinary Research Technology, Andaman, India. 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 - Warning System for					Identification'
And Smart Automation Using IoT ' 17. Dr. D. Veera Vanitha Veracity Research in Scientific Computations and Engineering Trends Vanitha	16.	K.R.Priyanga,			Participated and presented
17. Dr. D. Veera International Conference on Vanitha Veracity Research in Scientific Computations and Engineering Trends Participated and presented Paper titled 'Microcontroller Based Automatic Source Changeover Between Solar and Main System' 18. Dr. D. Veera International Conference on Vanitha Innovative & Advanced Multidisciplinary Research Multidisciplinary Research Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 - Warning System for		P. Manju Parkavi			paper titled 'Security System
Dr. D. Veera International Conference on V.R.S College of Vanitha Veracity Research in Scientific Computations and Engineering Trends Arasur, Villupuram 23.03.2019 Based Automatic Source Changeover Between Solar and Main System'					And Smart Automation Using
Vanitha Veracity Research in Scientific Computations and Engineering Trends Technology, Arasur, Villupuram 23.03.2019 Technology, Arasur, Villupuram 23.03.2019 Technology, Arasur, Villupuram And Main System' Dr. D. Veera Vanitha Innovative & Advanced Multidisciplinary Research Multidisciplinary Research Technology, Andaman, India. 08.06.2019 - 09.06.2019 Tokyo, Japan. Presented a paper titled 'Microcontroller Based Automatic Source Changeover Between Solar and Main System' Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown Tokyo, Japan. Presented a paper titled 'Early Warning System for					IoT '
Scientific Computations and Engineering Trends 18. Dr. D. Veera Vanitha Innovative & Advanced Multidisciplinary Research 19. Dr. R. Sudarmani Scientific Computations and Engineering Trends Arasur, Villupuram 23.03.2019 Dr. B. R. Ambedkar Institute of Institute of Andaman, India. 08.06.2019 19. Dr. R. Sudarmani Dr. B. R. Ambedkar Institute of Andaman, India. 08.06.2019 Technology, Andaman, India. 08.06.2019 Tokyo, Japan. Presented a paper titled 'Early Warning System for 23.10.2019 — Warning System for	17.	Dr. D. Veera	International Conference on	V.R.S College of	Participated and presented
and Engineering Trends and Engineering Trends and Engineering Trends 23.03.2019 Changeover Between Solar and Main System' and Main System' Dr. D. Veera Vanitha Innovative & Advanced Multidisciplinary Research Andaman, India. O8.06.2019 O9.06.2019 Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 — Warning System for		Vanitha	Veracity Research in	Engineering and	paper titled 'Microcontroller
18. Dr. D. Veera International Conference on Vanitha Innovative & Advanced Multidisciplinary Research Multidisciplinary Research Dr. B. R. Ambedkar Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3 rd International Conference on Institute of paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3 rd International Conference on Institute of paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019			Scientific Computations	Technology,	Based Automatic Source
18. Dr. D. Veera International Conference on Vanitha Innovative & Advanced Institute of Multidisciplinary Research Multidisciplinary Research Andaman, India. 19. Dr. R. Sudarmani 3rd International Conference on Institute of Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Institute of Participated and presented paper titled 'Analysis of OBS Networks with Impatient Bursts and Server Breakdown 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 - Warning System for			and Engineering Trends	Arasur,Villupuram	Changeover Between Solar
Vanitha Innovative & Advanced Multidisciplinary Research Multidisciplinary Research Andaman, India. 08.06.2019 - 09.06.2019 Dr. R. Sudarmani 3rd International Conference on Natural Hazards and Vanitha Institute of Technology, Andaman, India. 09.06.2019 Tokyo, Japan. Presented a paper titled 'Early Warning System for				23.03.2019	and Main System'
Multidisciplinary Research Technology, Andaman, India. 08.06.2019 - 09.06.2019 Dr. R. Sudarmani 3 rd International Conference on Natural Hazards and 23.10.2019 - Warning System for	18.	Dr. D. Veera	International Conference on	Dr. B. R. Ambedkar	Participated and presented
Andaman, India. 08.06.2019 - 09.06.2019 19. Dr. R. Sudarmani 3rd International Conference on Natural Hazards and 23.10.2019 - Warning System for		Vanitha	Innovative & Advanced	Institute of	paper titled 'Analysis of OBS
19. Dr. R. Sudarmani 3 rd International Conference Tokyo, Japan. Presented a paper titled 'Early on Natural Hazards and 23,10,2019 –			Multidisciplinary Research	Technology,	Networks with Impatient
19. Dr. R. Sudarmani 3 rd International Conference Tokyo, Japan. Presented a paper titled 'Early on Natural Hazards and 23,10,2019 –				Andaman, India.	Bursts and Server Breakdown'
19. Dr. R. Sudarmani 3 rd International Conference Tokyo, Japan. Presented a paper titled 'Early on Natural Hazards and 23.10.2019 –				08.06.2019 -	
on Natural Hazards and 23.10.2019 – Warning System for				09.06.2019	
23.10.2019 –	19.	Dr. R. Sudarmani		Tokyo, Japan.	Presented a paper titled 'Early
				23.10.2019 –	
Disaster management 24.10.2019 Landslides in Nilgiris District			Disaster management		Landslides in Nilgiris District,
India: Using Wireless Sensor					India: Using Wireless Sensor
Networks'					Networks'

20.	D. VeeraVanitha,			Participated and presented paper
	D. Sumitha			titled 'Analysis of Hybrid
	D. Sulliula			, , , , , , , , , , , , , , , , , , ,
				Buffering And Retransmission in
				OB Networks'
		N.C. 1G S		
21.	G.Mahalakshmi	National Conference on	Department of ECE	Participated and presented paper
	Malini,	Emerging Trends in	School of	titled 'A Literature Review on
	Dr. B. Sargunam,	Wireless Communications,	Engineering,	Home Automation Protocol For
	R. Chitra,	Signal Processing and	Avinashilingam	Internet of Things (IoT)'
	Dr. R. Sudarmani	Networking		
22			Institute for Home	Destining to Lead 1
22.	R.Chitra,		Science and Higher	Participated and presented paper
	Dr.R.Sudarmani,		Education for	titled 'Intelligent Home
	G.Mahalakshmi		Women	Automation System using
	Malini		21.02.2020 -	Wireless Sensor Network'
			22.02.2020	
23.	K.V.Archana			Participated and presented paper
				titled 'Future of Smart Farming
				Using IoT and Artificial
				Intelligence : A Review'
24.	Ms.K.R.Priyanga,			Participated and presented
	Dr.R.Sudarmani,			paper titled 'Termites: A
	Mrs.M.Agalya			Review'
25.	P.G.Padma Gowri			Participated and presented
				paper titled 'On road
				automatic e-vehicle wireless
				charging system using solar
				energy'
				chorgy
