

Chemistry

24/3/18.

1. It is suggested to have Engineering Chemistry and Chemistry Laboratory for I B-E students of all branches for the academic year 2018-19 onwards.
2. The modified contents for both Engineering Chemistry and Chemistry Laboratory are given.
3. It is suggested to introduce Environmental Science in Semester I or II as Mandatory course (non-credit).
4. The course outcomes for Engineering Chemistry I and Engineering Chemistry II for the academic year 2017-18 are modified and is to be ratified.
