

Report on One Day Training Programme on Computer Graphic Design

Department of Printing Technology & Department of Computer Science and Engineering, Faculty of Engineering, Avinashilingam Institute for Home Science and Higher Education for Women organized One day skill based Training Programme on “Computer Graphic Design” on 24.05.2017 at campus II. Eleven unemployed young women from neighboring village participated in the workshop.

Inaugural function: The inaugural function began with a prayer song. The Presidential address was given by Dr.Jaganathan, Director, Faculty of Engineering, followed by introductory speech by Dr.S.Maragatham, Dean, Faculty of Engineering. Dr.T.K.S.Lakshmi Priya, Head, Printing Technology gave brief introduction about how printing industry related with Graphic Design, Dr.S.Sivakumari, Head, Computer Science and Engineering gave introduction on Computer Graphics.

Training Sessions: The guest speaker was Mr.J.Veeranathan, Proprietor, Balaji Institute of Computer Graphics, Coimbatore. He is a trainer for pre-press designers. He has conducted training sessions for persons employed in pre-press units all over Tamil Nadu.

The speaker gave a detailed introduction about computer Graphic Design, how graphics related with printing industry and its applications in the real world. It was a very interactive and interesting session. Afternoon hands-on session was conducted. The main objective of this training programme is to give awareness for rural area women on printing industry with graphics.

Valedictory; The workshop came to an end at 4:00 p.m. It was followed by Certificate distribution and vote of thanks by Mrs.D.Nithya, Asst. Professor, Computer Science and Engineering.

Feedback: The session was very helpful for young and energetic women to explore the latest technological development in graphic design and useful for their job opportunities. The participants expressed their lack of awareness to the immense scope for graphic designing and some of them wanted to enter into a career in designing.
